### Script

Gustav and I were old friends, from when I was first singing in the nightclub. We spend our nights together, because the night is my day, and the day is my night.

He wasn't really a Baron you know. I was just a cover story. He was really a spy, and was on a secret mission here in England.

-----  
I don't know. I knew he had met and married Arabella - she wasn't really a Baroness, you know. Then he was supposed to go on another secret mission. I never heard of him again, in the night or in the day.
